RE: Revised Child Day Care Rate Chart For Use With The  
Alabama Child Support Guidelines - Rule 32, Alabama Rules of Judicial  
Administration (ARJA)

On August 7, 2009, our office received notice of the revised Child Day Care Rates that will be implemented by the Department of Human Resources effective October 1, 2009. In accordance with the Alabama Child Support Guidelines, Rule 32, ARJA, I am attaching above a copy of the Department of Human Resources' rate chart to you. Rule 32(B)(8) further provides that the clerk shall maintain the current schedule in his/her office, shall make it available for review, and shall provide copies of it on request at the customary cost for copies of documents. Below is the same schedule prepared by our office showing the Child Day Care Rates by county.

The new rate chart provides maximum weekly rates per child for day care in all Alabama counties. Rates are given for three school ages: Infant/Toddler (birth to 30 months of age); Pre-School (30 months to 5 years of age); and School Age (5 to 12 years of age, or through age 18 if the child has a physical or mental disability documented by a licensed physician, psychologist or psychiatrist). Rates are also given according to four licensing categories: child care center (licensed to serve more than 12 children); child family day care (licensed for 7 to 12 children); and family day care (licensed for 1 to 6 children). The maximum rate for in-home day care, where services are provided in the child's own home, in all counties is \$35.00. The maximum part-time rate is one-half the full time rate for the appropriate type of care and the age of the child.

If you have any questions concerning this chart, you may wish to call the Child Care Subsidy Program at the Department of Human Resources at (334) 242-1427.
